Announcement of the Customs Tariff Commission of the State Council on Granting Zero Tariff Treatment to 98% of the Tariff Lines for the Least Developed Countries

Customs Tariff Commission Announcement〔2021〕No. 8

China applies the preferential tariff rate of zero to 98% of all tariff lines originating from the least developed countries, in accordance with its relevant commitments to grant zero tariff treatment to some products from the least developed countries that have established diplomatic relations with China, and further expand the scope of products with zero tariff treatment. The eligible countries and implementation time shall be announced separately by the Customs Tariff Commission of the State Council according to the progress of the exchange of notes between China and relevant countries.
